Subject: **Renewal of accreditation**

Dear Sir,

NABL is pleased to inform you the renewal of accreditation in accordance with ISO/IEC 17025: 2017 for the discipline of Renewal of accreditation in accordance with ISO/IEC 17025: 2017 for the disciplines of Electro-technical and Thermal calibration as per the scope recommended by the assessment team.

However, laboratory is required to address the following within 10 days:

- Mention the readout device for RTD / Thermocouple without Indicator in the Thermal scope.

NABL Issue a show cause notice to the laboratory to be replied within 10 days as to why accreditation should not be denied for Multi-position Temperature Calibration in view of the insufficient calibration observations and time interval for taking the calibration observation is also inappropriate.

All the personnel proposed by the laboratory to report, review & authorize the results are accepted.

Laboratory to participate in the next available PT Programs and also strictly adhere to their own 2 Year PT / ILC plan in line with NABL 163.

The accreditation certificate no. CC-2334 with issue dates 18/01/2023 and valid till 17/01/2025. Certificate is under preparation stage and issue asap. You shall refer & follow NABL 133 for using of NABL Symbol.

You have to submit the Desktop surveillance application for accreditation two months prior to the expiry of first year of accreditation to maintain continuity in accreditation cycle. Treat this letter as reminder for renewal of accreditation.

Yours Sincerely,  
**Abhinav Thakur**
